

Ken Han

Vita

Ken Han holds a degree in psychology and joined Metaplan in 2014, as the managing partner of Metaplan China. Prior to that he had founded and led one of China's most renowned boutique consultancies, "Visionary Consulting". As a consultant, he particularly works on strategic planning and alignment, performance diagnosis and improvement, change management, and leadership development. Besides, he also is a passionate and creative entrepreneur.

Personal interests

Ken loves his friends and new challenges; these are the two key ingredients of his life. He also likes to play golf and Texas Hold'em, as well as riding Harley-Davidson and race bikes. He lives with his family in Shanghai.
