

Cordula Rieger

Vita

Cordula Rieger began her career at the Unaxis Corporation (now known as OC Oerlikon) where she was responsible for internal communications for five years, which included a period of management and ownership change. In 2006, she moved to Enzaim, Metaplan's Swiss partner, where she facilitates change processes for clients in a wide range of fields. Cordula studied European economics at Regensburg and Oxford Brookes universities. She holds an Executive Master of Science degree in Communications Management from the University of Lugano, Switzerland. Cordula Rieger lectures at Zurich University of Applied Sciences in Business Administration and at the Swiss Training Centre for Marketing, Advertising and Communication.

Personal interests

Cordula devotes most of her free time to her two children. Friends and family are also important to her. Even after many years as a German "ex-pat," she is still discovering her adopted country of Switzerland. Cordula is a member of the parents' association in her residential community. If there were more time, she would enjoy traveling and reading more, and taking up sports.

Working languages

German, English

Focus areas

- Facilitation of change processes
- Change communication
- Organizational culture
