

Finn-Rasmus Bull

Vita

Finn-Rasmus Bull (born 1988) graduated in social sciences and sociology at the University of Bielefeld. After a brief professional detour to academia and academic consulting, he has been working as a consultant for Metaplan since 2017, advising in the area of reorganizational processes. Besides his job at Metaplan, he is currently earning a PhD studying post-bureaucratic organizations.

Personal interests

Finn preferably spends his spare time enjoying good food or “on the pitch”, playing football with friends. If he can find the time, he tries to improve his cooking skills, particularly as a chef for Italian and Lebanese cuisine.

Working languages

German, English

Focus areas

- Automotive suppliers
- Digitalization
- New ways of organizing
